## About NIPER Hyderabad:

National Institute of Pharmaceutical Education and Research (NIPER), Hyderabad is an "Institute of National Importance" established by the Department of Pharmaceuticals, Ministry of Chemicals & Fertilizers, Government of India to promote excellence in the field of Pharmaceutical Education & Research. NIPER Hyderabad was established in 2007 in the premises of erstwhile R&D Centre of IDPL, Balanagar, Hyderabad as one of the six new NIPERs. The Institute is currently offering two year post graduate courses M.S (Pharm) in Medicinal Chemistry, Pharmacology & Toxicology, Regulatory Toxicology, Pharmaceutical Analysis and Pharmaceutics MTech (Pharm) in Process Chemistry and M.B.A (Pharm) in Pharmaceutical management. The Institute is also offering PhD programs in Medicinal Chemistry, Pharmacology & Toxicology, Pharmaceutical Analysis and Pharmaceutics.

## Achievements & Research Accomplishments:

NIRF India Rankings 2019: NIPER Hyderabad secured 6 rank under Pharmacy category and secured 2 Rank in Teaching, Learning and Resources under Pharmacy category.

## Salient Features:

- State of the Art Research Laboratories for Drug Discovery, Development and Formulations
- Well-equipped molecular modeling lab and CPCSEA registered animal quarantine facility
- Collaborations with National and International academic institutes and industry

## Workshop Objective:

The objective of conducting this Workshop on "Intellectual Property Rights (IPR)" is to provide a deeper understanding of IPRs to participants to enhance their contribution to the Indian Pharmaceutical Industry.

## Who should attend?

MSMEs, Entrepreneurs, students, faculty and pharma professionals enthusiastic to get into the field of IPR. Professionals wanting to change career within the industry/academia. Personnel in industry and academia requiring comprehensive training in IPR.
